

E-ID

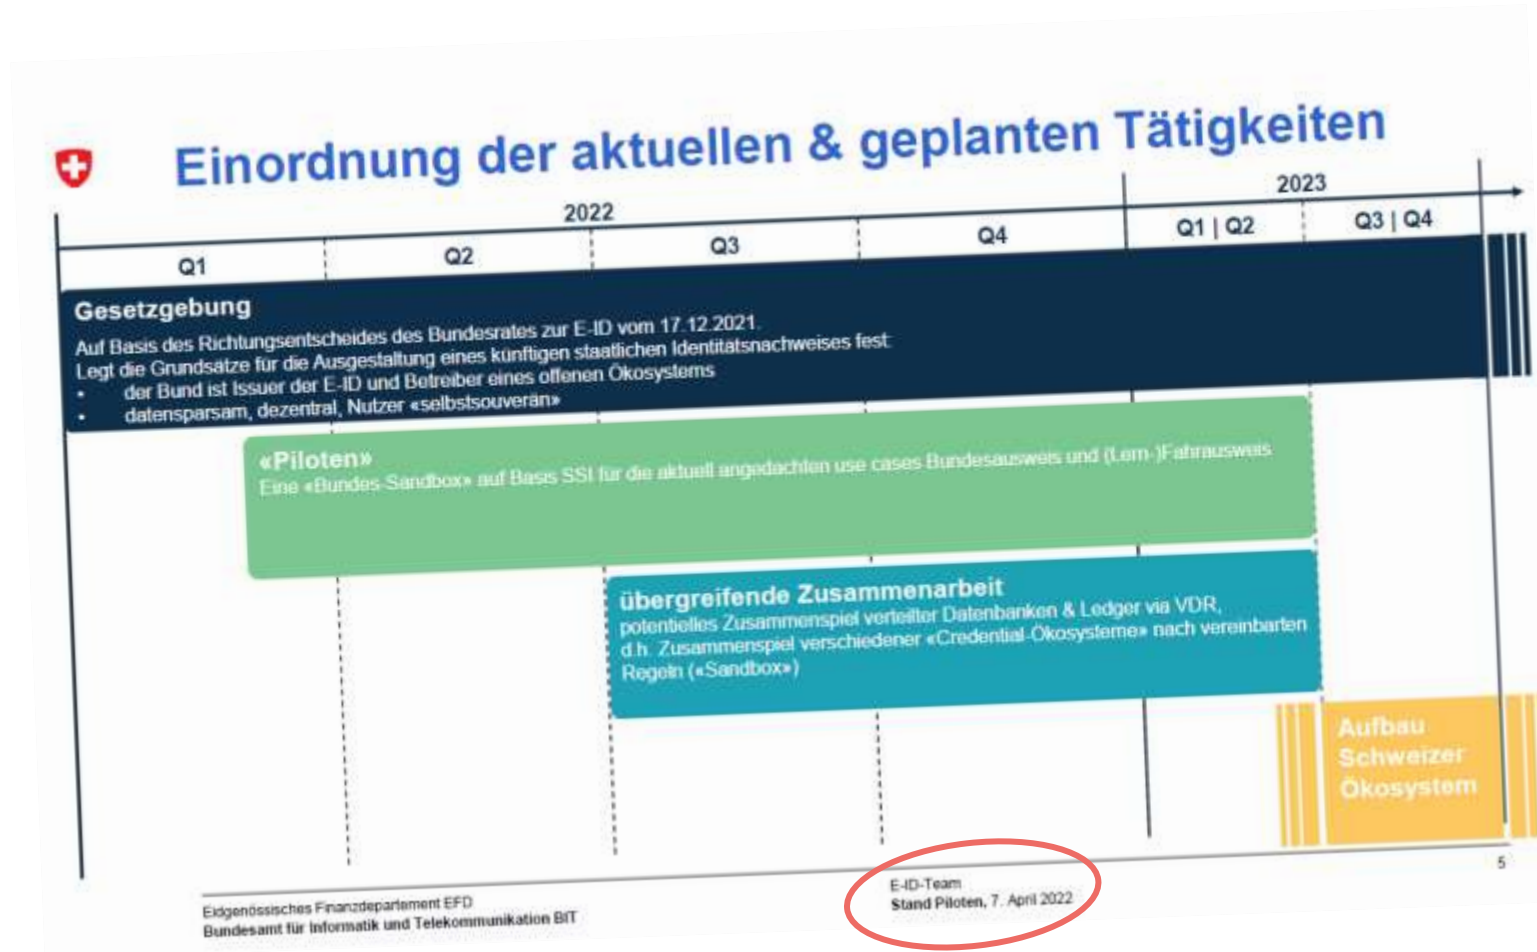

How to build a swiss ecosystem – an IT perspective

Carsten Plum, BIT | Zoé Blanchard, BIT

Zollikofen, 01.12.2023

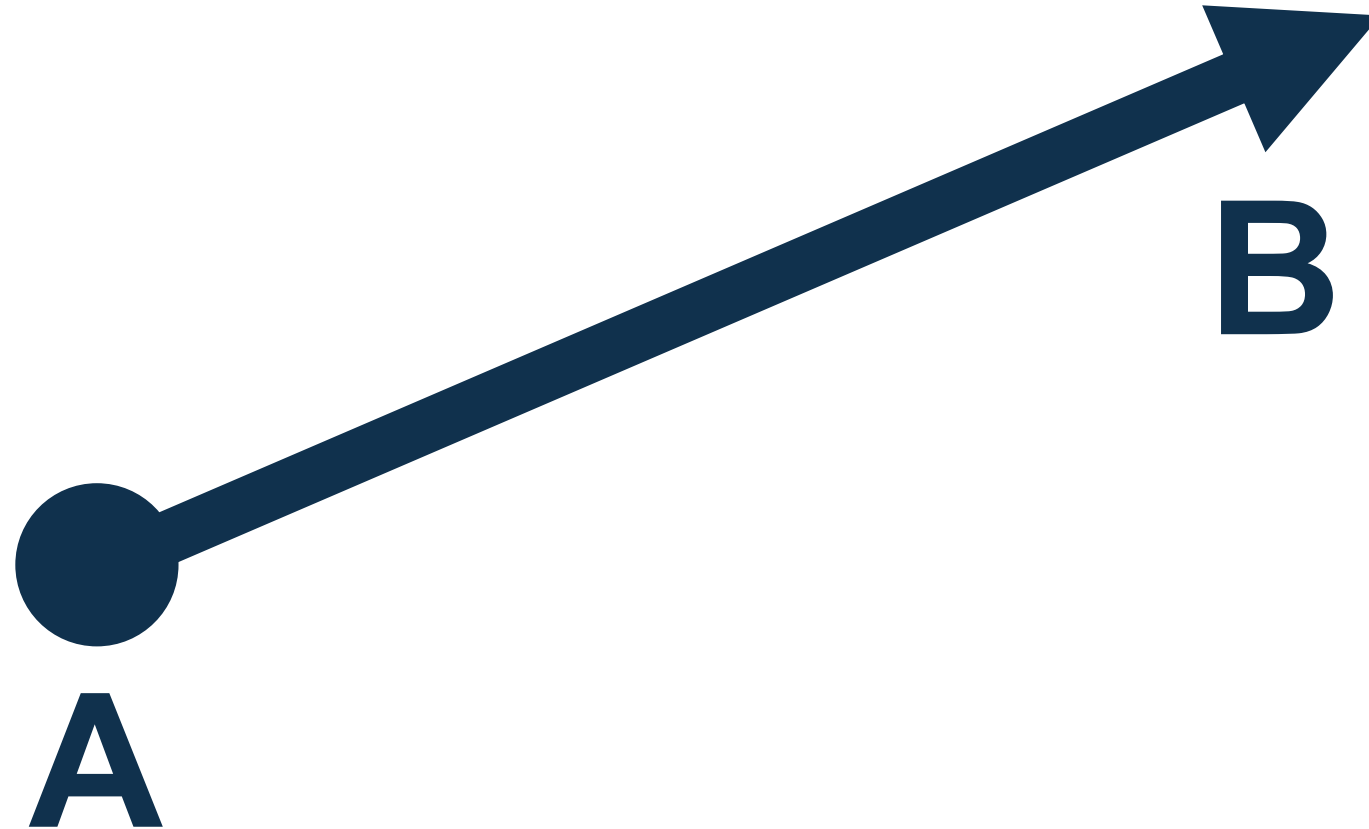

Our first plan...

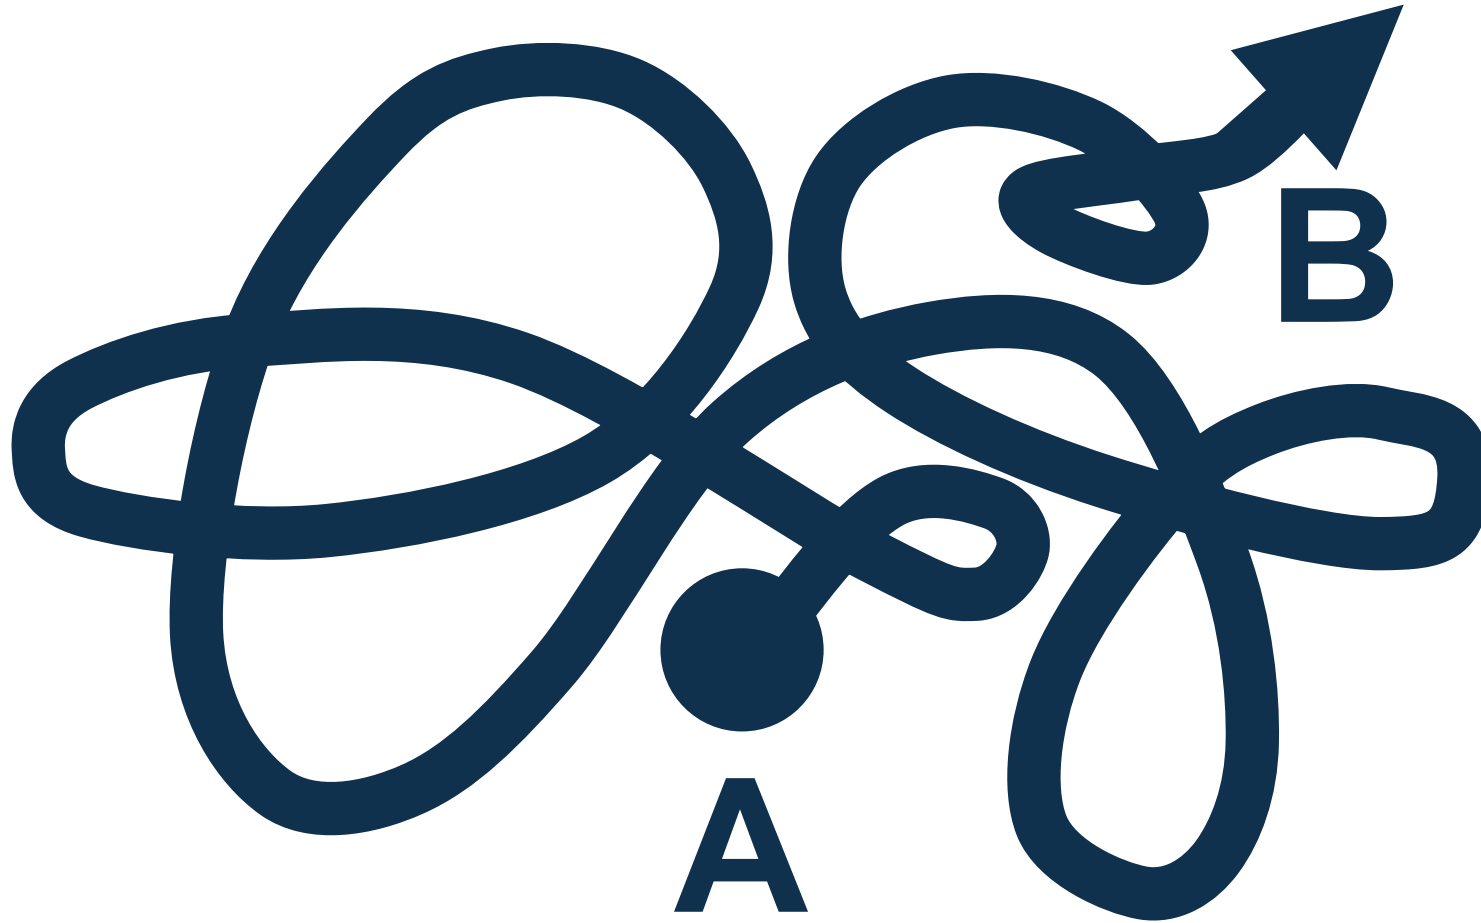

...looked like...

...but came out a bit like this...

E-ID

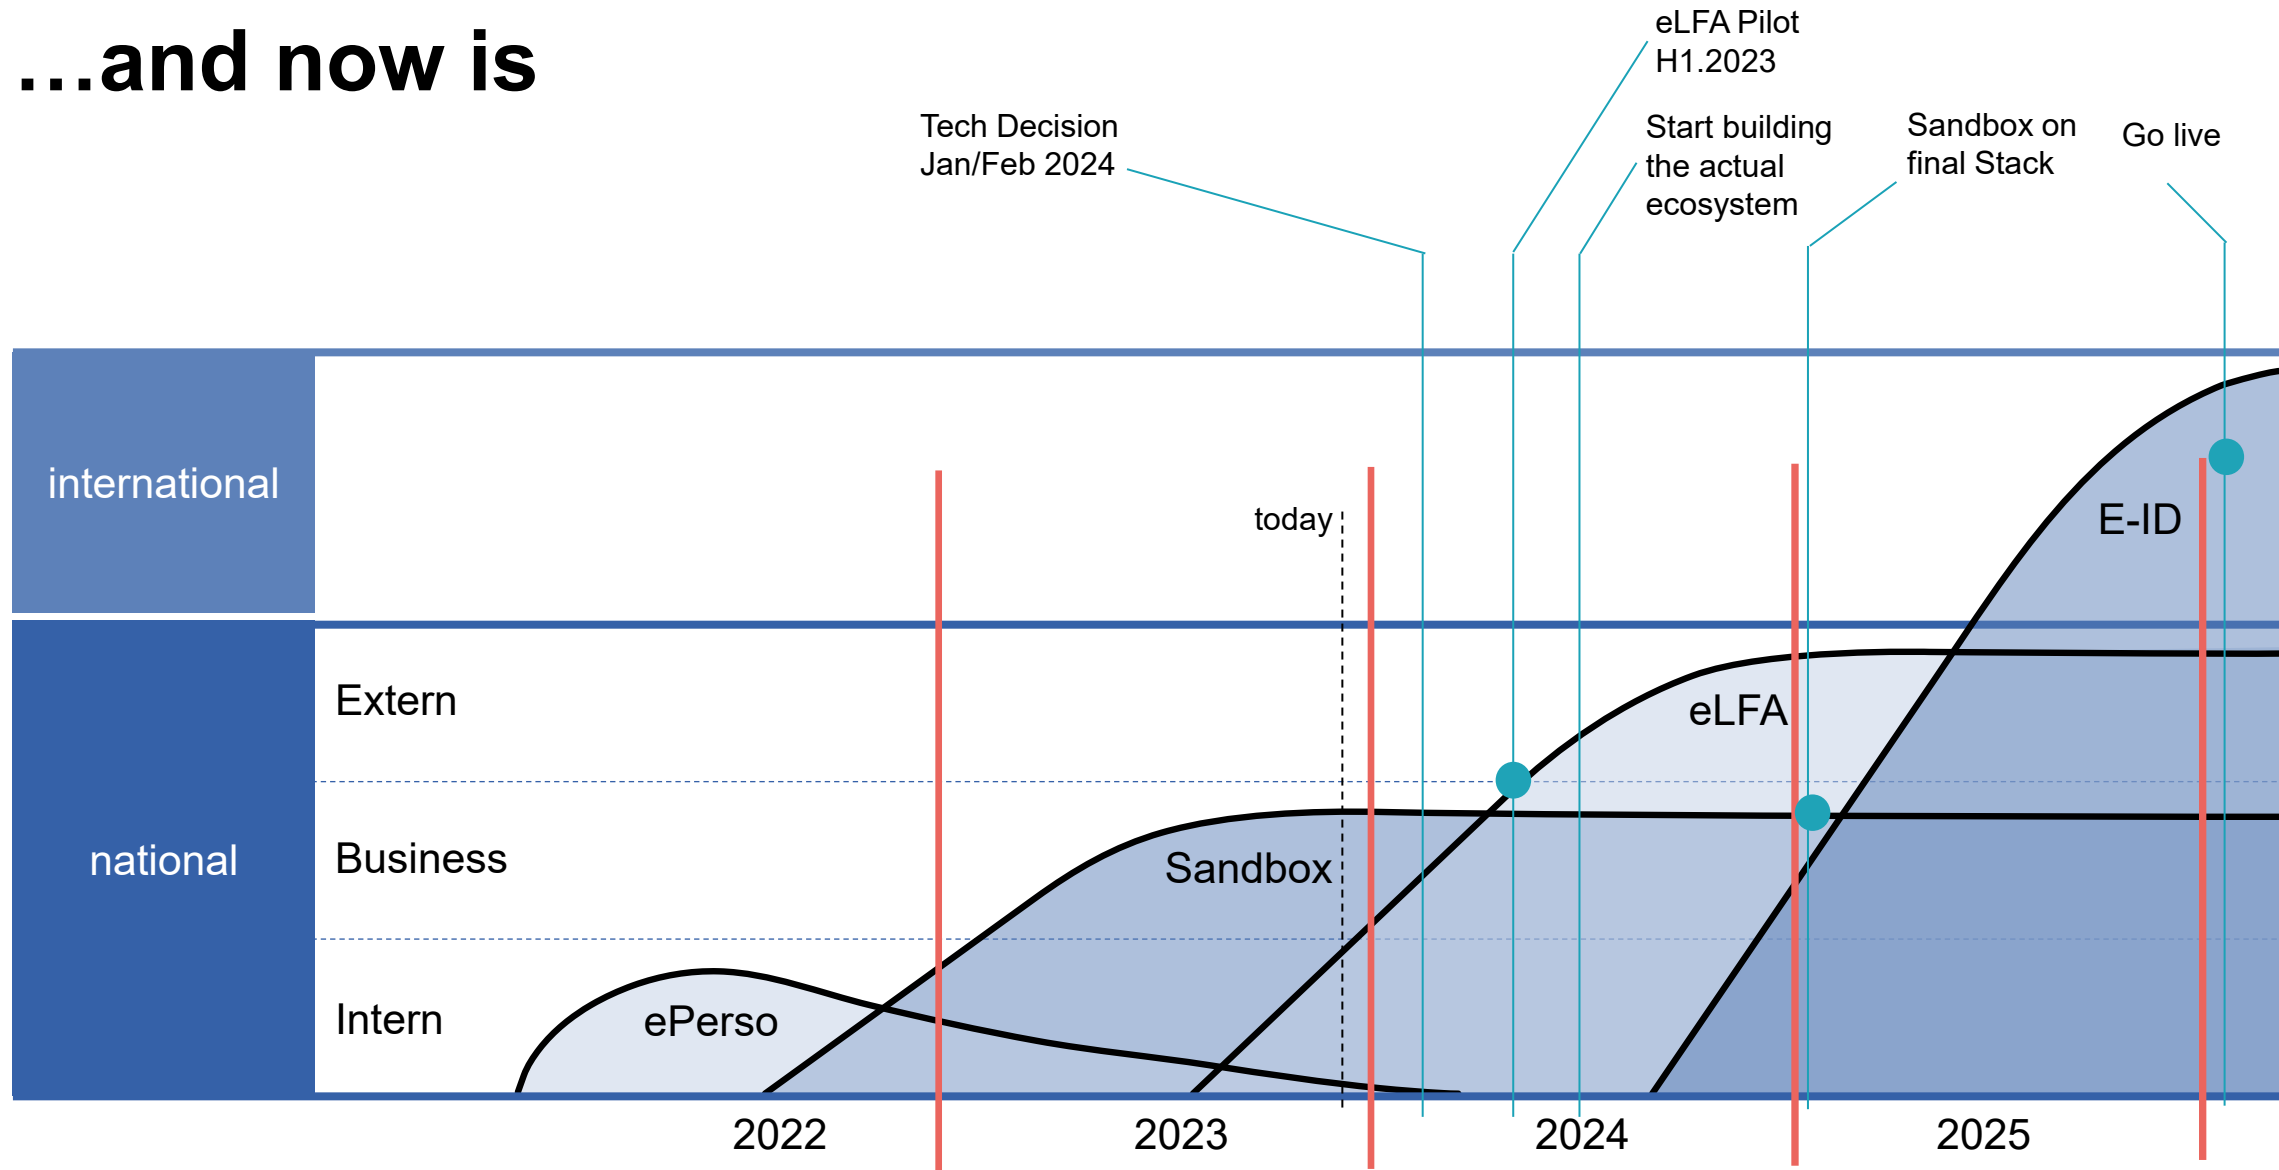

WORAN DENKEN SIE BEIM BEGRIFF "E-ID"?

Le «e» a-t-il un rapport avec l'Europe? Avec «identité»? Ou avec «électronique»?

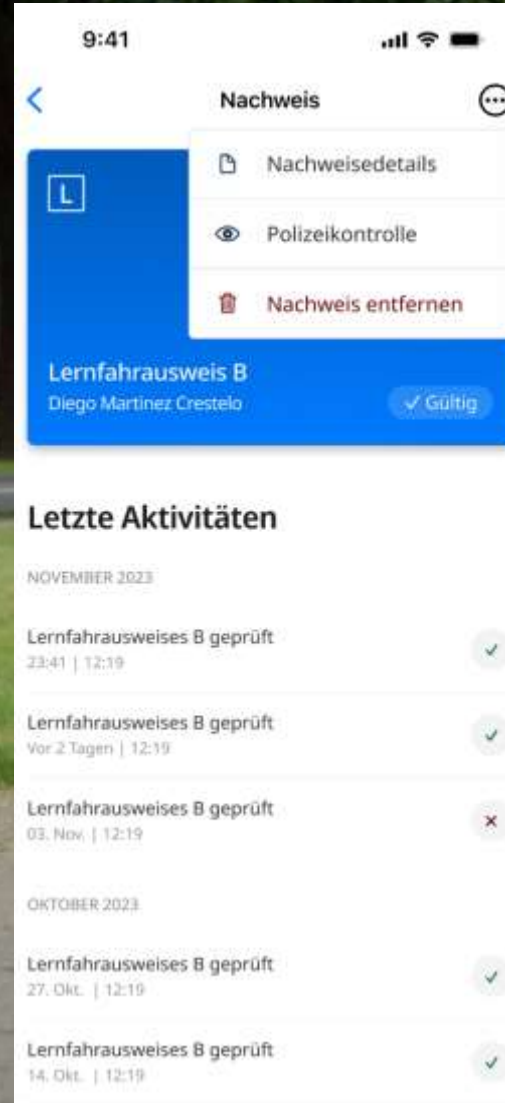

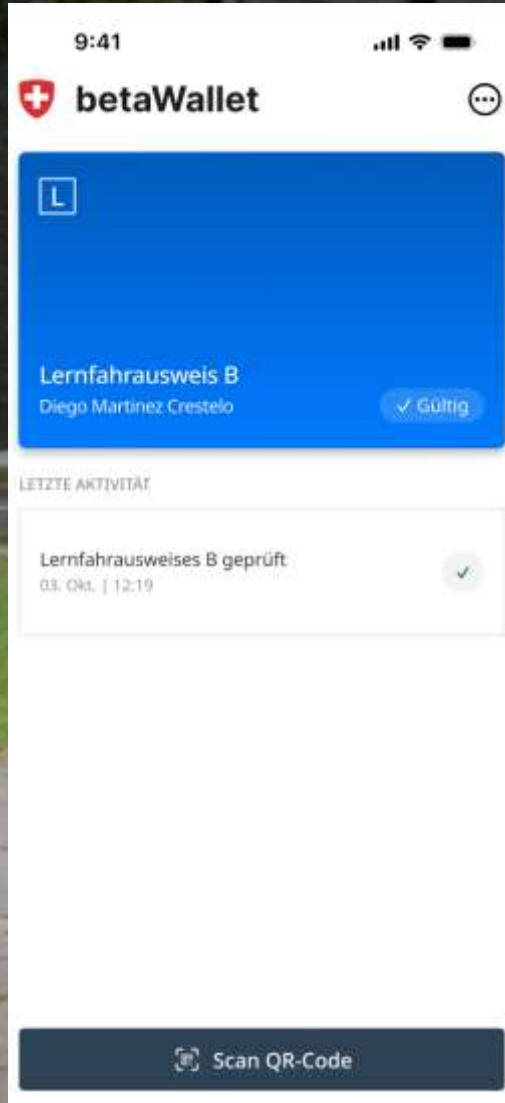

...and now is

...so why is it important?

...because real world experience creates learnings

...and reveals the real use and needs...

**“No one can whistle a symphony.
It takes a whole orchestra to play it.”**

07. September 2022

11. Oktober 2023

...the rough outline again:
